Dear "Fundraising" Community Booth Applicant,

March 1, 2020

We hope that you can join us for the 35th Annual Renton River Days Festival. Preparations have already begun! Again this year, Community Booths are available for one day, Friday, July 24, or the entire weekend, July 24-26. Please indicate on your application the date(s) your organization wishes to participate.

In order to have a Community Booth, your organization must provide a not-for-profit service to the community and your booth must provide a free activity for families. The free family activity can be anything from coloring to playing a game. We have included suggested free activities below.

You are responsible for the set-up and removal of your booth including canopy, tables, chairs, equipment and supplies. Canopies must be secured with weights, not stakes, in the ground. You may distribute information and free giveaways from your booth space. You may not stroll festival grounds to distribute information or handouts. **Fundraising, raffles, or donations are permitted to booths who apply and pay for a Fundraising Community Booth.**

Due to the expected volume of booths setting up for the festival weekend, we have designated the afternoon of Thursday, July 23, 2020, for load-in and set-up in addition to the morning of Friday, July 24, 2020. We will only have a few hand-carts available for use and strongly recommend that exhibitors come as self-contained as possible.

Whether your organization participates on Friday only or the entire weekend, booths are expected to be set up by 10:30 a.m. on Friday, July 24, 2020. You are expected to be open for the full extent of the Event Hours in Liberty Park (Art Market Vendors, Nibble of Renton food booths, Stage Entertainment, Community Booths, and the majority of KidZone activities share the same event hours).

Liberty Park Event Hours and Community Booth Hours are as follows:

<i>Friday, July 24</i>	<i>11:00 a.m. – 8:00 p.m.</i>
<i>Saturday, July 25</i>	<i>11:00 a.m. – 8:00 p.m.</i>
<i>Sunday, July 26</i>	<i>11:00 a.m. – 6:00 p.m.</i>

Community Booth space is limited so please complete the enclosed application and return it as soon as possible or no later than June 5, 2020. You will be mailed a Load/Unload permit in July, which will allow you access to a permit area to load and unload only. You will then be required to move your vehicle off-site. Renton River Days is not able to provide parking for Community Booth participants.

As you prepare to mail your application, please consider the following items to include with your application:

- Application (keep a copy for your records); application deadline is June 5, 2020
- Check or PayPal payment payable to Renton River Days (For PayPal: Send fees to rrdproducts1@gmail.com)

ABOUT OUR FESTIVAL:

Originating in 1986, Renton River Days unites residents, businesses, organizations, and Puget Sound region tourists together to enjoy a wonderful variety of events and special features for youths, families, and senior citizens. Annual favorites include arts and crafts, visual and performing arts, sports and recreation, food, exhibitions, children's activities, and culturally diverse stage entertainment. With nearly 35 events and special programs over several days and at various locations within Renton, the main festival is held the fourth weekend of July. Estimated attendance has risen to 40,000 for the multi-day celebration of Renton and its residents, history, and culture.

VISION STATEMENT: To celebrate, unite and showcase the Renton community.

MISSION STATEMENT: Renton River Days inspires pride by providing an annual, sustainable summer celebration of Renton's rich diversity and positive heritage through activities designed for the entire community.

OPERATING GUIDELINES:

Renton River Days activities should foster a sense of pride in Renton residents, create opportunities for local government and businesses to increase awareness of the services available in Renton, and allow the Renton community and its friends and neighbors to enjoy the festival in pleasant surroundings. Events should showcase Renton's public and private amenities, social, business or cultural opportunities and rich historical heritage.

To reflect this purpose and to further these goals, the following guidelines have been adopted:

- Events should appeal to all segments of the community (i.e. age groups, cultural and diverse backgrounds, geographical locations).
- When feasible, events should offset expenses and be financially self-sustaining or meet the requirements to be subsidized by in-kind or sponsorship support.
- The festival should provide opportunities for nonprofits and/or educational organizations to participate at an affordable rate.
- Events, displays, or activities should not solely support one commercial business interest over another. (This does not refer to profits earned by event participants providing a service of value to the event, such as food vendors, musicians, artists, etc.).
- Events should be deemed safe.
- Program continuity is desired.
- When possible, RRD should partner with like-minded organizations and other annual local events. This will, 1) allow for the most efficient use of available resources, 2) increase the festival's identity and marketability, and 3) avoid confusion regarding local activities and event sponsorship.
- When possible, RRD should demonstrate how it connects to celebrating community and is in alignment with the City of Renton's business plan.
 - To ensure that the intent of the festival is met, Renton River Days reserves the right to approve or deny participation for any reason. All decisions by the Renton River Days Board of Directors are final.

IDEAS FOR FREE FAMILY ACTIVITIES

By providing a free activity for kids and families, you will not only enhance the community spirit and involvement of the Renton River Days festival, but attract more visitors to your booth. There's no easier way to get adults to your booth than by getting the attention of the kids with them! Consider how you can customize the ideas below to fit your business, organization, or cause.

- **Bean Bag/Football/etc. Toss** – Use plywood to cut out holes large enough for the bean bag to easily fit through.
- **Coloring Pages** – Provide crayons and coloring pages. Could be a contest or just for fun.
- **Putt Putt Golf** – Set up a course (can be rented or purchased) and encourage visitors to make a hole in one!
- **Sand/Water Table** – Gather a variety of beach toys and buckets for kids to splash around.
- **“Fishing” for a Prize** – Set up a wall partition. Kids throw their pole over the wall and hope to catch “the big one!”
- **Spin a Prize Wheel** – Make or purchase a wheel with different sections. Where you land determines your prize.
- **“Plinko” Board** – Make or purchase a board ... then use your Price is Right skills to land in the best prize spot.
- **Relay Races/Obstacle Course** – race around cones, through tunnels, etc. Keep track of times and have a Wall of Fame.
- **Puzzles** – Have a variety of hands-on or paper puzzles for visitors to complete.
- **Bubbles** – Purchase or make bubble solution. Have a variety of bubble wands for visitors to use.
- **Play Dough/Clay** – set up a table and purchase or make play dough. Provide a variety of “tools” for visitors to create works of art.
- **Photos** – Use a digital camera and printer to provide visitors a photo to commemorate their visit to Renton River Days. You can even include your logo, website, etc. on the photo.
- **Craft:**
 - Visor
 - Picture Frame
 - Kites
 - Buttons
 - Necklaces
 - Origami
